

Located in East Ocean View on Pretty Lake Avenue, Sunshine Pet Care provides comfort and care for pets and their owners throughout Norfolk and Virginia Beach. This exceptional service ensures that pets are well cared for in the familiar environment of their own homes, offering a range of services from routine cat and dog care visits to vacation pet sitting and overnight stays.

Sunshine Pet Care caters to the diverse needs of pets and their owners, whether they are in Norfolk or parts of Virginia Beach. With a special focus on Ocean View, Bayview, and Willoughby, the team is available almost any time, including weekends and holidays, to provide top-notch care for pets. Services include daily dog walks, transporting pets to appointments, special adventures, and even last-minute visits for established clients.

Leading Sunshine Pet Care is Ann-Marie (Annie) Dori, the Owner and Chief Animal Cuddler. Annie's lifelong passion for animals and her extensive background in animal care make her a perfect fit for this role. Raised in an animal-loving household, Annie has always had a special bond with animals. She has shared her home with rescued cats since college and has been caring for dogs of family, friends, and neighbors for as long as she can remember.

Before founding Sunshine Pet Care, Annie dedicated much of her career to working for non-profit organizations focused on animal welfare. Her roles in campaign and Operations management, marketing, event planning, and volunteer coordination prepared her well for managing her own business. In the fall of 2023, Annie decided to fully immerse herself in a venture that allowed her to be surrounded by happy, pampered, already-rescued animals every day.

Sunshine Pet Care quickly gained a stellar reputation through word of mouth; and within six months, Annie began building a small, dedicated team of animal lovers to offer their services to more pet parents. The business philosophy is centered around worry-free premium pet care, ensuring happy animals and happy pet parents. "At Sunshine Pet Care, we believe that our companion animals are very important family members. We provide your precious fur kids with the same loving care they are accustomed to while you are working or traveling. Providing high-quality care for your animals and peace of mind for our customers involves

more than just 'the basics.' Love, attention, mental stimulation, and playtime are all so important. We offer personalized care and attention for the pets under our care, ensuring that they feel comfortable and secure in their own home environment.

Whether you need a dog walker, pet sitter, house sitter, or overnight care, Annie and her team have you covered. She understands the anxiety of being away from pets and strives to offer peace of mind to pet owners by sharing detailed updates and beautiful photos of their pets with every visit. Her daily routine of morning beach walks in East Ocean View has allowed her to connect with many neighbors through their dogs, further strengthening community ties.

"Since moving to East Ocean View in the summer of 2014 and starting my routine of daily morning beach walks, I've been stopping to say hello to every dog that passes by on the beach or in the neighborhood. Often, I learn the pup's name before the human's! This has been a wonderful way to connect with and meet my neighbors. Animals bring people together in ways we sometimes don't even realize."

Annie finds her greatest inspiration from "time in nature and with animals," which drives her commitment to her clients and their pets. She explains, "This connection inspires me every day to give my all to our clients, be present with their precious pets, and to be a better caregiver." She is also passionate about giving back to the community and believes in "bringing people together to volunteer to help animals and the environment" For Annie, every act of kindness, no matter how big or small, makes the world a better place.

Beyond her passion for animals, Annie enjoys traveling, scuba diving, hiking, live music, photographing her husband's band, volunteering, and just about any activity that gets her outside in the sunshine. She has been an active member of the East Ocean View community for 10 years, and shares her love with her husband Dave and five pampered rescue kitties: Rosemary, Makai, Nalu, Scarlett, and Dylan.

Sunshine Pet Care represents Annie's deep commitment to animal welfare and her passion for bringing joy and comfort to pets and their owners. "We are incredibly grateful to have the chance to bring sunshine to your animals' day while you are away!"
